

Accommodations

SandCastle Resort is pleased to offer intimate and unique banquet & convention facilities for weddings, business meetings and group functions.

Our first level is built into a hill and walks out onto a large deck which mimics the upper deck. With nine foot ceilings, large windows in every room and our hip new renovations, this area can hardly be considered a “basement”. Sleeping accommodations on this floor include 4 bedrooms, which sleep 2 each. These rooms share 2 1/2 bathrooms, a common sitting area and a kitchenette (fridge, microwave, sink).

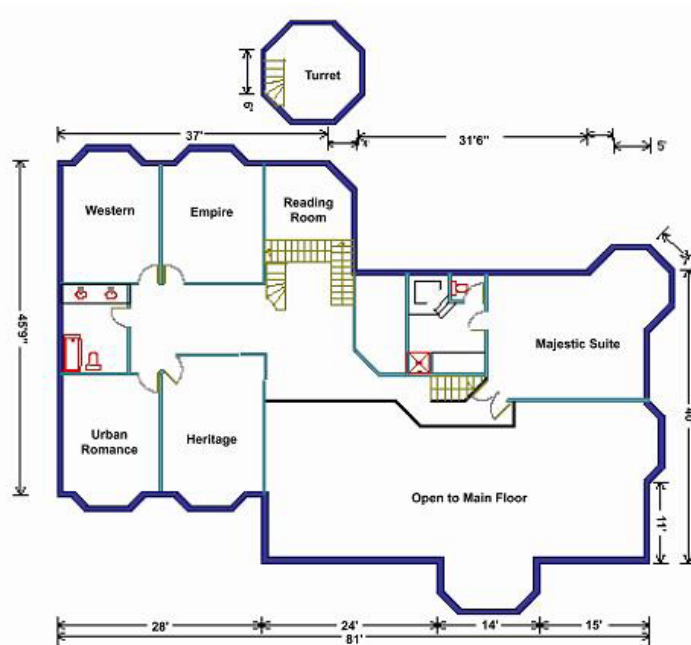

Our main floor offers 3,500 square feet of space and is ideal for group dining and entertainment. Our licensed dining room accommodates groups from 6 to 20 and is ideal for staff parties or corporate entertaining. For larger groups, our newly added banquet facility caters to groups of 56 individuals for dining and 80 for receptions.

In addition to fostering an environment, which facilitates corporate planning and personal learning and growth, SandCastle Resort is a place “Where adults come to play”. Your clients and guests are encouraged to develop relationships while they unwind in our licensed games room (billiards, air hockey and foosball), relax in our comfortable family room with leather furniture, big screen TV and stone fireplace (winter 2006) or play in our outdoor pool and hot tub.

Our upper level features 4 double rooms with queen beds, bay windows and private baths. These rooms are light, spacious and elegantly decorated with beautiful views from their bay windows. Our well-stocked library is the perfect place to snuggle up with that book you’ve been dying to read. The library also provides access to the turret, a private sitting room above the treetops with a spectacular view for miles and miles.

While at SandCastle Ranch, our guests are also invited to make use of our outdoor pool and hot tub. Canoes, dog sledding and horseback riding is also available upon request for an additional fee.
