

Directions and Map

SandCastle Resort is located 25 minutes North West of Saskatoon, on Highway 16. To get here you will take Highway 16 out of Saskatoon (towards North Battleford and Edmonton) until you reach the Village of Borden. Borden is located 50 km out of Saskatoon. Just (a few hundred meters) past Borden there is an intersection. Here you will turn left, crossing over the double highway and a set of railway tracks, bringing you to a T intersection. There is a sign here to turn right. Follow this road one mile and take your first left. After a half a mile you will run into our facility which is located on the right. The way is marked by brown provincial highway signs.
